The image contains two hand-drawn diagrams illustrating the function of the Lower Esophageal Sphincter (LES) and the diaphragm. The left diagram shows the diaphragm contracting (indicated by a dashed line) and the LES closing (indicated by a solid line). The right diagram shows the diaphragm relaxing (indicated by a dashed line) and the LES opening (indicated by a solid line). Labels include 'diaphragm', 'esophagus', 'LES', '306', and '300'.
